# The Galapagos Affair

## Satan Came to Eden

A film by Dayna Goldfine & Dan Geller

**"THE MOST IRRESISTIBLE FILM SO FAR OF 2014!"**

—Mick LaSalle, SAN FRANCISCO CHRONICLE

**"A HYBRID OF JUICY PERIOD DRAMA AND 'SURVIVOR'!"**

—Stephen Holden, THE NEW YORK TIMES

Featuring voice performances by Oscar® winner Cate Blanchett (*Blue Jasmine*), Diane Kruger (*Inglourious Basterds*), Connie Nielsen (*Nymphomaniac*), Sebastian Koch (*The Lives of Others*), Thomas Kretschmann (NBC's *Dracula*), Gustaf Skarsgård (*Kon Tiki*) and Josh Radnor (*How I Met Your Mother*).

Darwin meets Hitchcock in this true-crime tale of paradise found and lost. *The Galapagos Affair: Satan Came To Eden* is an extraordinary documentary portrait of a 1930s murder mystery as strange and alluring as the famous archipelago itself. Fleeing conventional society, a Berlin doctor and his mistress start a new life on uninhabited Floreana Island. But after the international press sensationalizes the exploits of the island's "Adam and Eve", others flock there—including a self-styled Swiss Family Robinson and a gun-toting Viennese Baroness and her two lovers. Things would never be the same.

To bring this incredible story to life, filmmakers Dayna Goldfine and Dan Geller (*Ballets Russes*) nimbly interweave newly unearthed home movies of the original settlers; testimonies of modern day islanders; and stunning HD footage of native flora and fauna. Macabre yet inspiring, *The Galapagos Affair* is a gripping parable of Robinson Crusoe adventure and utopian dreams gone awry.
